

A HEART SPACE HEALTH COMPANY · INVESTOR DECK 2026

The Dome *Collective*

Love where you live.

A private residential conscious community in Austin — 80 dome residences on 9 acres, where longevity medicine, sacred design, and belonging are the foundation, not the amenities. Born from AWKN Ranch. Built to stand alone.

408

ON THE WAITLIST

Born from the ranch. *Built to stand alone.*

The Dome Collective turns AWKN Ranch's one-time journey into a way of life — 80 private domes leased month after month, a distinct company with its own brand, real estate, and balance sheet.

01 · THE DESTINATION

AWKN Ranch

Clinical care, ceremony, retreats, and events. People come for days or weeks. Proven over 4.5 years, ~\$1.3M/yr in sales, profitable, five-star.

02 · THE HOME

The Dome Collective

A residential community where people live full-time. Recurring 12-month leases, real estate you own, and a lifestyle brand that scales beyond a single property.

Its own brand

“Love Where You Live” — a consumer lifestyle brand of memberships, residency, and belonging.

Its own real estate

80 domes on 9 acres in a single-purpose LLC with its own capital stack, debt, and equity.

Its own recurring revenue

Month-after-month lease income — the most predictable and replicable revenue there is.

THE RESIDENCES

80 domes on *sacred geometry*.

Each dome is a private residence built with high intention — set on sacred geometry and anchored by the 13 Oracle Angel Stations: trails, sculptural art, crystal installations, and an organic farm.

\$3,000 / MO AVG · 12-MONTH LEASES · 95% STABILIZED

Residency includes the Core Team

- ♦ Annual comprehensive bloodwork
- ♦ Monthly IV drip therapy
- ♦ Every morning & evening class
- ♦ 15% off food & longevity services

THE HEART · LONGEVITY & AMENITY CENTER

The engine *of* *vitality.*

Wellness here is a way of life. The domes surround it, the trails connect to it, and it sits at the center — with an independent restaurant and leased offices as their own income lines.

Longevity Medicine

Annual bloodwork + monthly IV drip therapy, included.

Hydrotherapy

Outdoor pool, salt room, sauna, and cold plunge.

Nourishment

Chef-driven restaurant on-site, leased as income.

Daily Practice

Morning & evening classes, red-light beds, longevity tech.

Movement

Indoor & outdoor fitness, pickleball and paddle courts.

Family & Play

Children's play area, kids' fitness, art & play therapy.

Wellness, stacked. *Courts on the roof.*

A vertical amenity building — hospitality and wellness below, the highest-energy amenities up on the roof with the views. Stacking the courts shrinks the footprint and creates a signature moment.

THE SIGNATURE MOMENT Rooftop ~6,500 SF PLATE	Pickleball court · Padel court (10-ft glass enclosure) · Rooftop sauna + cold-plunge deck + lounge — with the views.
Second Floor ~6,500 SF	Fitness · Interior sauna / cold-plunge / salt-room suite · Functional-health offices (IV, coaching, functional medicine) · Changing & support
Ground Floor ~6,500 SF	Café + coffee bar (the social lobby) · Restaurant + shared commercial kitchen · Kids room · Restrooms / lockers · Lobby & circulation
~13,000 sf Two floors + activated rooftop	\$275 / sf Rate carries the rooftop complexity
\$3.575M Amenity center · in Phase 1	65 ft Height variance enables padel

THE ECONOMICS · BUILT LEAN

A true all-in cost of **\$99,300** per dome.

TRUE COST PER DOME · BULK PRICING

The land structure *is the moat.*

- 15-year ground lease on the 9-acre parcel at just **\$8,000/mo** (2% annual escalator)
- A **\$10M option to purchase** the land before year 8
- During the lease, the landowner carries the land taxes — we only pay on our improvements, keeping carrying costs low through construction and lease-up
- When we exercise, we lock \$10M land beneath a ~\$32M stabilized asset — and capture that spread for our equity, not the landowner's

LOCK \$10M LAND BENEATH

WHO'S BUILDING THIS

Operators, *not first-timers.*

The Dome Collective is built by a team that already runs a profitable, five-star wellness business on the land next door — with specialist partners locking the model, the design, and the build.

FOUNDER · HEART SPACE HEALTH

William David Naylor

Built and operates AWKN Ranch & Within Center — 4.5 years, ~\$1.3M/yr in sales, two years profitable, five-star. He and his family live on the land alongside residents, and he co-invests in the raise alongside the group.

FINANCIAL MODEL

Irene

Locking the underwriting and the single-source-of-truth model behind every number in this deck.

AMENITY CONCEPT & COSTING

Bowman + Jennifer

Concept plan and cost-per-sq-ft for the stacked amenity center, pressure-testing the \$275/sf basis.

CONSTRUCTION JV

Builder Partner

In selection now — rooftop structural experience from The Sanctuary to solve the stacked-courts build.

THE OPPORTUNITY

A \$32M asset, *built for ~\$26.1M.*

True all-in basis (construction + land)	~\$26.1M
Stabilized NOI (lease phase)	\$2.19M/yr
Stabilized value · 6.8% cap	~\$32.2M
Value created over all-in	~\$6.13M

Recurring.
Financeable.
Replicable.

A private living sanctuary with recurring lease income, a rare land-option spread, and a lifestyle brand built to replicate — “Love Where You Live,” on the next parcel and the next.

The Dome Collective · *Love where you live.*

A Heart Space Health Company · William David Naylor, Founder · 512.810.6517 · www.awknranch.com

Valuation reflects fully-stabilized figures: 80 domes × \$3,000/mo at 95% occupancy, with the leased restaurant and offices as their own income lines, capitalized at a 6.8% market cap rate. Construction costs are current estimates (pre-GC-bid); the program assumes City confirmation of the impervious-coverage strategy (in process, 50% credit on the domes). Internal estimates, not a guarantee of returns.
